

ELECTRONIC SIGNATURE:

Professional Data Delivery System (PEDDS)

Florida Statutes and Florida Administrative Code require Architects and Engineers to sign and seal documents and plans submitted for public records. There are specific provisions for electronic signatures within the Rules and Regulations. Architects and Engineers are responsible to meet the rules. The following external links are provided for assistance.

Architects:

- [Board of Architecture and Interior Design](#)
- [Rule 61G1-16.005, F.A.C. - Seals](#)
- [Section 481.221, F.S. - Seals](#)
- [Section 668.001, F.S. - Electronic Signatures](#)

Engineers:

- [Florida Board of Professional Engineers \(FBPE\)](#)
- [Rule 61G15-23.003, F.A.C. - Seals](#)
- [Section 471.025, F.S. - Seals](#)
- [Section 668.001, F.S. - Electronic Signatures](#)
